## ASSEMBLY BILL

No. 419

## **Introduced by Assembly Member Caballero**

February 23, 2009

An act to add Section 6525.1 to the Government Code, relating to joint powers agreements. An act to amend Sections 57000, 57132, and 57132.5 of the Government Code, relating to local government.

## LEGISLATIVE COUNSEL'S DIGEST

AB 419, as amended, Caballero. Joint powers agreements: water utilities. Local government: change of organization or reorganization: elections.

Existing law requires a local agency formation commission to inform a board of supervisors or a city council when the commission makes a determination that will require an election to be conducted by that board or council, and requires the board of supervisors or the city council to direct the elections official to conduct the necessary election, as specified.

This bill would require the board of supervisors or the city council to take action, to order and place the item on the ballot, within 45 days of notification by the local agency formation commission, and would require the elections official to place the item on the ballot at the next regular election if the board of supervisors or the city council fails to take action within 45 days of the notification. This bill would also make conforming changes.

Existing law, the Joint Exercise of Powers Act, authorizes a public agency, which is defined as a federal, state, or local governmental agency, a public corporation, or a district or a regional transportation

commission, to enter into an agreement for the joint exercise of powers and to create an agency or entity that is separate from the parties to the agreement.

This bill would authorize a water utility that is regulated by the Public Utility Commission to enter into a joint powers agreement with one or more public agencies and other water suppliers, if the purpose of the joint powers agreement pertains to regional or local water management.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.
